This Prayer Corner for members of the U.S. Military was started after 9/11/01 when we went to war in Afghanistan and Iraq. The intent was to pray for those men and women (parishioners or family members of parishioners) who are serving in dangerous locations. Since we do not have an accurate way of determining when to remove someone, we are asking you to let us know if someone is still serving in a dangerous location as a member of the military. We will redo the list according to what you give us.

Dear Friends of Holy Spirit,

Praise God that March is here! Even I who enjoy snow was getting tired of those long, cold days of February. History tells us that we could still get 10 inches of snow, but I'm enjoying the warmer weather with hopes of seeing a few flowers soon! Easter is three weeks away!

Speaking of Easter, I would like to invite everyone to try and attend the Holy Triduum (Holy Thursday, Good Friday and Easter Vigil). These three celebrations are the heart of our faith and should be experienced as a united worship of God. Easter Sunday is the high point of our faith, but we get there by walking through Holy Thursday, Good Friday and Holy Saturday. I love the washing of the feet on Holy Thursday when we focus upon the Eucharist. I love the veneration of the cross on Good Friday when we focus upon Jesus' death on the cross. And I love the beauty of the Easter Vigil that begins with the lighting of the new fire outside (light in darkness) and ends with newly baptized and confirmed members coming to the Eucharistic Table to share Jesus with us. Please join us.

Don't forget the Blood Drive coming up on March 21st ...let's have a great turnout.

God's Love and Blessings,
Fr. Paul

Strengths Corner

Welcome to the Strengths Corner!

*If you are particularly talented in **Significance**, you want to be important in the eyes of others. You are independent and want to be recognized.*

Have you been described as being:

Motivated
Independent
Goal oriented

Opportunities for growth and service:

St. Vincent de Paul
Pro-Life
Festival

Any combination of talents can be used in any ministry. Above are three ideas for people with **Significance**. If you are already involved in a ministry think about how you use **Significance** in that ministry. If you are not involved in a ministry why are you not sharing your important gift of energy for doing good and helpful things that are lasting? You have the motivation to be involved in big projects. Because you prefer being involved in something important your work may have transformational or lasting impact. Your **Significance** talent is valuable because you are comfortable with being in the spot light and can help make the good work of our church visible and known to the parish.

Scripture related to the **Significance** theme:

You are the light of the world. A city set on a mountain cannot be hidden. Nor do they light a lamp and then put it under a bushel basket; it is set on a lamp stand, where it gives light to all in the house. Just so, your light must shine before others, that they may see your good deeds and glorify your heavenly Father.

Matthew 5:14-16

Survey

If you did not take the ME25 survey during mass last weekend you may pick up a copy in the parish center office. **You may complete it in the office or take it home and return it. All surveys must be turned in by Wednesday March 24th.**

Remember:

The Living Your Strengths Journey is guided by one very simple – yet profound thought:

You are at your best when you do what you naturally do best.
